QUICKCOUNT Program Definitions

Program (QC display title)	Definition
All Human Services	Services provided by Allegheny County Department of Human Services and external providers.
Department of Human Services	Services provided by Allegheny County Department of Human Services.
Early Intervention	Infants, toddlers and young children up to five years of age who are receiving Early Intervention (EI) services. EI provides developmental and social emotional screenings, supports, and services for young children who have a developmen
Child Welfare	Children and youth, age 18 years old or younger, associated with a child welfare allegation, investigation or case.
Children and Youth, 18 and Younger - Active Cases	Children and youth, age 18 years old or younger, associated with an active child welfare case. A child welfare case means that a family is receiving supports and services to ensure safety of the child(ren) and prevent abuse and neglect.
Home and Community Based Services	Individuals associated with an active child welfare case who are receiving non-placement services, which are services received in the child's community or in their home. Non-placement services may include housing supports, counseling
Placement Services	Children and youth, age 18 or younger, who are associated with an active child welfare case and have been removed from their home and are in out-of-home care in a residential facility, a group home, kinship care (i.e., the home of a re
Parents Associated with an Allegation, Investigation or Case	Parents of children associated with a child welfare allegation, investigation or case.
Independent Living	Youth ages 16 to 24 who are active with child welfare and are receiving services designed to prepare them for living independently as adults.
Community Services	Unavailable.
Employment and Training	Individuals receiving services from one of DHS's Employment and Training programs.
Energy Assistance	County residents receiving assistance through the Low-Income Home Energy Assistance Program (LIHEAP). LIHEAP helps low-income families pay their heating bills by sending payment directly to the utility company. Households with cri
Medical Assistance Transportation Program	Individuals receiving assistance from the Medical Assistance Transportation Program (MATP), which provides shared transportation, bus passes and gas reimbursement for Allegheny County residents of all ages. Transportation may be tr
Family Support Center	Parents/caregivers and children active with a Family Support Center (FSC). FSCs are neighborhood-based centers that serve children and parents through support groups, activities, mentoring and in-home services.
Head Start	Parents and children receiving Head Start services. The Head Start program promotes the school readiness of young children from low income families through education services and services related to health, nutrition and social develc
Services to Child	Children receiving Head Start services. The Head Start program promotes the school readiness of young children from low income families through education services and services related to health, nutrition and social development.
Services to Parent	Parents receiving Head Start services. The Head Start program promotes the school readiness of young children from low income families through education services and services related to health, nutrition and social development.
Jail Re-entry Services	Individuals receiving services through the Allegheny County Jail Collaborative, a group of government agencies, nonprofit organizations, volunteers and community members focused on improving the transition of people returning to th
Homeless and Housing Supports	Individuals or families receiving housing and supportive services provided by DHS and DHS-contracted providers due to a housing crisis. Services include housing assistance, case management, prevention and outreach.
Day Shelter	Individuals and families receive supportive services such as meals, clothing, showers, case management and other services designed to address the causes and effects of homelessness.
Emergency Shelter	Individuals or families residing in short term care and refuge, which typically ranges from one day to several weeks, due to an immediate need for housing. Emergency shelters are typically an early entry point into the homeless continui
Homeless Prevention	Individuals receiving prevention services, which help prevent an individual or family from becoming homeless by providing assistance with rent, utility and/or mortgage payments.
Permanent Supportive Housing	Individuals or families with disabilities receiving long term housing support.
Rapid Rehousing	Individuals or families receiving long term housing support via rent payment assistance.
Street Outreach	Homeless individuals or families who are living in unsheltered locations and are receiving outreach services meant to connect them with emergency shelter, housing or critical supportive services in addition to urgent, non-facility based c
Transitional Housing	Individuals or families residing in facility-based or scattered site medium term housing, typically ranging from one month to two years. Transitional housing is for individuals and families experiencing homelessness and transitioning to a p
Mental Health Services (All)	Individuals receiving mental health services paid for by the County or HealthChoices (i.e. Medicaid managed care). Includes both clinical services, such as individual and group therapy and non-clinical services, such as case management.
Mental Health Services (County Funded)	Individuals receiving mental health services paid for by the County. Includes both clinical services, such as individual and group therapy and non-clinical services, such as case management and peer recovery support.
Administrative Case Management (County Funded)	Individuals receiving administrative case management services paid for by the County.
Mental Health Services (All County Funded except Administrative Case Management)	Individuals receiving mental health services paid for by the County, excluding administrative case management. Includes both clinical services, such as individual and group therapy and non-clinical services, such as case management.
Mental Health Services (HealthChoices Funded)	Individuals receiving mental health services paid for by HealthChoices (i.e. Medicaid managed care). Includes both clinical services, such as individual and group therapy and non-clinical services, such as case management.
Justice Related Services (All)	Individuals receiving Justice Related Services (JRS) paid for by the County or HealthChoices (i.e. Medicaid managed care). JRS offers an array of supports designed to work with the Allegheny County Jail, District Courts, behavioral health s
Substance Use Disorder Services (All)	Individuals receiving any substance use disorder (i.e. drug and alcohol) services that are paid for by the County or HealthChoices (i.e. Medicaid managed care). Includes both clinical services, such as individual and group therapy and non-
Substance Use Disorder Services (County Funded)	Individuals receiving substance use disorder (i.e. drug and alcohol) services paid for by the County. Includes both clinical services, such as individual and group therapy and non-clinical services, such as case management and peer recove
Substance Use Disorder Services (HealthChoices)	Individuals receiving substance use disorder (i.e. drug and alcohol) services paid for by HealthChoices (i.e. Medicaid managed care). Includes both clinical services, such as individual and group therapy and non-clinical services, such as ca
Drug and Alcohol Level of Care Assessments (All)	Individuals receiving substance use disorder (i.e. drug and alcohol) level of care assessments paid for by the County or HealthChoices (i.e. Medicaid managed care). Level of care assessments help to ascertain an individual's treatment ne
Drug and Alcohol Level of Care Assessments (County Funded)	Individuals receiving substance use disorder (i.e. drug and alcohol) level of care assessments paid for by the County. Level of care assessments help to ascertain an individual's treatment needs based on the degree and severity of alcohol
Drug and Alcohol Level of Care Assessments (HealthChoices Funded)	Individuals receiving substance use disorder (i.e. drug and alcohol) level of care assessments paid for by HealthChoices (i.e. Medicaid managed care).
