> Dual Eligible - Medicare/Medicaid > Federal General Assistance > Healthy Beginnings > Medically Fragile > Medically Needy > Supplemental Security Income (SSI) > TANF, Healthy Beginnings, and MAGI > Temp Asst Needy Families (TANF) > Public Benefits - PA Department of Human Services > Mental Health > Supplemental Nutrition Assistance Program > Supplemental Security Income > Temp Assistance for Needy Families > Other Medical > Other Medical	A Medicaid category which has the same requirements as the corresponding category of SSI. Persons who receive Medicaid in SSI-related categories are aged, blind, or disabled and also receive Medicare benefits. The General Assistance (GA) program is state-funded assistance that provides money and other services for eligible individuals who do not meet the requirements of federally funded programs such as Temporary Assistance for Needy Families (TANF). The General Assistance (GA) cash program ended on August 1, 2012. GA medical assistance is still available to those who qualify. Healthy Beginnings provides Medical Assistance coverage for: pregnant women (which can begin as soon as your doctor or nurse informs you that you are pregnant or children of low-income families through age 18. Unavailable. For Tamilies, children and adults who are ineligible for nonmoney payment Medicaid coverage due to excess income or resources, but whose income and resources are considered insufficient to meet their medical needs. Eligibility under MNO provides limited medical services. MNO recipients usually have more income and resources than those eligible for Medicaid under mandatory and optional categorically needy groups. A Medicaid category which has the same requirements as the corresponding category of SSI. Persons who receive Medicaid in SSI-related categories are aged, blind, or disabled who do not receive Medicare benefits. This is a new category combining TANF, Healthy Beginnings, and MAGI (Modified Adjusted Gross Income). Effective January 1, 2014, the Affordable Care Act (ACA) changed Medical Assistance (MA) rules in Pennsylvania. Modified Adjusted Gross Income (MAGI) is the new income methodology used for determining MA eligibility for children through age 18, parents (biological, adoptive or step), caretakers, pregnant women and adults ages 19-64. A Federal Blook Grant program which provides temporary cash assistance to families which contain dependent children who are deprived of care or support of one or both	July 2002 July 2002 July 2002 June 2014 July 2002 July 2002 April 2009 July 2002	Possible lag of 2 months.
